

DELIVERING DYSPHAGIA YOGURT SOLUTIONS YOUR RESIDENTS LOVE

Dysphagia impacts an estimated 15% of the elderly population. These individuals can fall short on nutrient recommendations – such as key vitamins, minerals and protein, due to difficulty swallowing. At General Mills, we're here to help you serve foods that deliver the nutrients they need with the scarce kitchen time and resources you have.

Did you know? We have a host of Yoplait® yogurts that naturally meet the right texture for IDDSI levels* – no modification necessary.
